Comments:

- * We didn't survey our new entrants due to the lack of knowledge in the Yr 1 & 2 class but we will survey them when we revisit in the middle of the year.
- * Some of our Yr 5 & 6 students were able to link to our motto- students could give a general explanation but lacked specifics
- * Our Year 4 students had some basic understanding if known- manners, helping, caring, looking after people
- * In year 2 & 3 the students mostly think they are about being helpful, looking after people
