

TIRAU SCHOOL

STATIONERY REQUIREMENTS FOR 2018

Dear Parent,

The following is a list of stationery your child requires to start the new school year.

We hope you will purchase your child's stationery through the School Shop to support school fundraising. If so, please send required amount of money along with this list on the first day.

PLEASE NOTE

1. Items marked *** are available from the School Shop only.
Please buy your glue sticks from us as we prefer the quality of these ones.
2. It is extremely important that your child has this list on the first day.
3. If you have purchased some of the requirements during the holidays, please cross those items from this list.
- 4: This year we will be supplying coloured pencils needed for all pupils in class for the year.
Your pencil fees covers all these items. This is to ensure that all children have the correct items needed at all times.
- 5: The BOT has set the fees for 2018 at \$80.00 per child for the year.
This will be discounted to \$70.00 per child if you pay the full amount before end of Term 1 2018.
Otherwise you are welcome to pay \$20.00 per child per term.
